AWARD INFORMATION

RFP SIPC2021AIR1 - STAND-ALONE AIR PURIFICATION SYSTEM FOR SCHOOL BUILDINGS

The purpose of this RFP was to establish a prime agreement (Prime Vendor Contract) for STAND-ALONE AIR PURIFICATION SYSTEM FOR SCHOOL BUILDINGS by the SIPC.

The Schools of Illinois Public Cooperative (SIPC) sought written proposals from qualified suppliers to establish a prime agreement (Prime Vendor Contract) for a STAND-ALONE AIR PURIFICATION SYSTEM FOR SCHOOL BUILDINGS

for the members of SIPC who wish to participate. The proposal should be made available to any SIPC member that has entered into the SIPC Intergovernmental Agreement.

With the different systems available on the market, **the SIPC Board is awarding this contract to multiple vendors, in order to best serve the needs of the schools.** All vendors properly responded completely and on time to this proposal to be considered for award. Vendors have been notified of the award via email from info@schoolsofillinois.org and by USPS. Vendors who are awarded contract under this agreement will be identified as "approved vendor" for SIPC and may be found at the following link after the award date. <https://schoolsofillinois.org/published-rfps/>
